<i>An altogether rich affair, deeper in colour and with more body. This is a Saison style beer, blended with 17 different ingredients, giving it a complex character which is both smooth and rich. 5.8%</i>	
Nazionale 75cl	16

*We've selected a handful of wines that are a little more unusual, boutique or just plain delicious, perfect for those looking for a vinous discovery!*

2018 Verdicchio Di Matelica

Del Cerro Belisiario

Marche

43

*Verdicchio in the Matelica DOC, a smaller zone than Castello di Jesi. The climate here is more continental than in Castelli di Jesi and the combination of warm days and cool nights gives a longer growing season, and lovely aromatic qualities to the wines. Pale with green highlights. Abundant aromas of vibrant grapefruit, white flowers and hints of honey dominate the nose. The palate shows refreshing acidity, interesting mineral characters, a light hint of ripe fruit and a final burst of zingy lemon to lift the finish. A beautifully balanced wine, with a soft mouthfeel that retains a wonderful lifted, fresh character.*

2017 Roero Arneis

Giovanni Almondo

Piemonte

47

*Roero Arneis, which loosely translates to "Little Rascal" because of how notoriously difficult it is to grow produces some of the most interesting white wines in Northern Italy. Giovanni Almondo and his family have been making wine in the hills of Piedmont for the last 600 years, which has given them a lot of time to perfect getting the Little Rascal into a bottle. Vibrant apple & pear on the nose with a silky smooth finish and zesty little acidity make this wine the ideal accompaniment for white fish such as Hake, light pasta dishes or just enjoying a glass in the sun.*

2017 Anas-cetta

Elvio Cogno

Piemonte

59

*The principle characteristics of this wine are its versatility and adaptability to different wine making styles. Whether in stainless steel or wood, the variety maintains its typical characteristics and is capable of expressing its territory, while allowing the producer to leave his or her signature. Anas-cetta by Elvio Cogno is distinguished for its brilliant gold color, fruit of an attentive extraction. On the nose, it has notes of citrus and exotic fruits, while on the palate it reaches a notable savoriness with hints of sage and rosemary. It is ready to drink but can withstand aging, providing the excitement of a great white made in a land of reds.*

## White Wines from Southern Italy and Islands

—

*Local grape varieties thrive in a wide range of soils across this varied region. The magical islands of Sicily and Sardinia produce wines with unique character, balancing exotic fruit with sea influence. Planting at altitude in Campania & Sicilia allows for the more aromatic grape varieties to slowly develop whilst harnessing their refreshing acidity.*

## Rosé Wines

—

*Below you'll find food-focused Rosé wines balancing concentrated fruit character with sweet spice, good texture - due to longer maceration on skins - and vibrant acidities to complement a wide range of dishes.*

2018 'A Mano' Primitivo Rosé	Puglia	35
2018 Angela Hartnett I.G.T Toscana Rosato	Toscana	38
2017 Langhe Rosato Tre Di Berri	Piemonte	40

## Orange Wines

*Originally created by Radikon and Gravner from the Friuli Venezia Giulia region, the term 'Orange wine' refers to the colour produced from white grape varieties when they have spent time macerating with the grape skins. As a result, the wines have a richer structure and a more powerful style, which are the perfect companion to food, especially with Risotto.*

### **2018 Malvasia Salina Caravaglio** **Lazio** **61**

*This fascinating wine hails from the Aeolian island of Salina near Sicily in southern Italy. Grown on volcanic soils, this is made of 100% Malvasia Bianco and is vinified completely dry. Exotic and intensely perfumed, this wine opens with vibrant lychee, pineapple and honeysuckle notes on the nose and leads to a salty, lean, mineral palate that speaks of its island origins*

### **2016 Vitovska, Zidarich** **Friuli Venezia Giulia** **70**

*100% Vitovska. A golden yellow, opalescent color. Aroma flowery and mineral, with scents of carnation, medlar and a pronounced smoky background. Savory, taut, sourish, with an aftertaste which is subtle yet persistent. Aged in large vats for 24 months.*

### **2017 Skerk, Ograde** **Friuli Venezia Giulia** **85**

**175ml** **17**

*Ograde is an orange wine made of Vitovska, Malvasia, Sauvignon Blanc and Pinot Grigio. Macerated on the skins, the wine extracts colour from the Pinot Grigio to give it an orange hue. The nose has complex aromas of red orange, grapefruit, light raspberry and geranium, white currants and a touch of red pepper and wet moss. Unfiltered and fermented in oak, the wine is rich and creamy yet filled with mandarin orange fruit, toasty almonds and minerals, the acidity is high maintaining the wine's freshness and elegance. For high quality orange wine making not unlike the incredible wines of Josko Gravner, you have to try Ograde.*

*We've selected a handful of wines that are a little more unusual, boutique or just plain delicious, perfect for those looking for a vinous discovery!*

2017 Antica Enotria Puglia 34

Vino Rosso is a blend of mainly Nero di Troia with Sangiovese and Montepulciano - Bright and juicy with red fruit and violet on the nose leading to ripe forest fruit and fresh red cherries on the palate. Soft texture with firm but ripe tannins on the finish.

2016 San Biagio  
Lisini-Clementi Toscana 60

According to historical archives, the Lisini-Clementi family has owned their land in Montalcino since the 16th century, which consists of 154 hectares in the southern part of the region. The vineyards are exposed to the Maremma winds which gives a very special macro-climate to the vines. The area experiences reduced rainfalls and the absence of fog, which, combined with the soil and altitude of the vineyards, helps to create some of the most distinct and flavorful wines in the region. The San Biagio is made from 100% Sangiovese. The vines are 35-40 years old. After harvest the wine is fermented in stainless steel tanks with 18-24 days of skin contact, then aged further in tank and bottle before release. The wine is full bodied, displaying elegant tannins with red berry fruits, currants and a hint of espresso that leads into a long, savory finish. Pair with wild boar ragu or seasoned beef dishes.

2012 Schioppettino  
Bressan Veneto 92

*Ribolla Nera, called "Schioppettino" in Friuli, is surely one of the most typical and elegant of the indigenous wines. It is of a mauvish-red colour and has an aroma that recalls wild blackberries, raspberries and bilberries. With age it develops a bouquet of fragrant woodland accents, musk and woody aromatics.*

## Red Wines from Northern Italy

—

*A variety of styles ranging from the elegant yet structured Nebbiolos in the north-west to rich and supple Amarones in the Veneto, whilst international varietals in the Friuli benefit from a freshness borne of the cooler climate. They all share a common juicy acidity that makes them perfect to accompany food.*

## Red Wines from Southern Italy and Islands

—  
*Often neglected in favour of more fashionable regions, here local grape varieties and varied soil composition offer a real sense of terroir and rusticity. The heat of the south is combatted by clever planting at altitude, allowing the grapes to ripen and mature slowly. The wines balance concentration of flavour with a level of freshness to pair with a variety of food.*
