## STAFF FAVOURITES

We've selected a handful of wines that are a little more unusual, boutique or just plain delicious, perfect for those looking for a vinous discovery!

2024 Ribolla Gialla  
Ronchi di Cialla  
Friuli-Venezia-Giulia 64

*This family-run estate has dedicated itself to preserving and championing the traditional local grapes of the area like Ribolla Gialla (pronounced 'Ree-bo-la Jah-la'!). Vibrant, crisp and energetic flavours of green orchard fruits and citrus are subtly complimented with notes of herbs and bread crust. This is massively versatile at the table but its favourite partner is seafood and fish.*

2023 Gewürztraminer  
Franz Haas  
Alto-Adige 77

*In the famed northern vineyard areas once occupied by the former Austro-Hungarian empire you find a wide array of aromatic, perfumed and textured styles that sound far from Italian. However, Alto-Adige, also known as Südtirol, is the ancestral home of this spicy, floral, tropical varietal. Franz Haas is regarded as one of the best producers thanks to high altitude plantings that help preserve natural freshness as the grapes develop complex flavours of lychee, ginger, orange peel and rose.*

2022 Chardonnay / Pinot Bianco / Pinot Grigio  
'Olivar', Cesconi  
Trentino 93

*The Cesconi family has almost 300 years of experience on this land and the latest generations have focussed on producing super high-quality wines while protecting their natural surroundings. Olivar is their flagship white, a powerful and rich blend offering ripe stone fruit flavours with notes of cream and oak, lifted by a mineral finish. This is destined to partner the richer foods found in Alpine Italy, where butter and cheese are abundant!*

## White Wines from Southern Italy and Islands

Local grape varieties thrive in a wide range of soils across this varied region. The magical islands of Sicily and Sardinia produce wines with unique character, balancing exotic fruit with sea influence. Planting at altitude allows for the more aromatic grape varieties to slowly develop whilst harnessing their refreshing acidity.

## STAFF FAVOURITES

*We've selected a handful of wines that are a little more unusual, boutique or just plain delicious, perfect for those looking for a vinous discovery!*

2020 Fumin  
Elio Ottin  
Valle d'Aosta  
75

*Fumin is an ancient Alpine grape that combines intense flavours and a good degree of power with a natural mountain freshness. Dark fruits, pine and smoke dominate the palate, supported by silky tannins. This is both robust and dangerously drinkable, particularly when paired with richer grilled meats and stews typical of the cooler climate in the Alps.*

2022 Chianti Classico  
Castello di Monsanto  
Toscana  
85

*Castello di Monsanto is a benchmark Chianti producer, showing the best of Sangiovese and its local red varietal blending partners in the area tucked between Florence and Siena. Following the traditions of short ageing in large old Slavonian oak to round out the character without dominating the wine, the natural sour cherry and oregano flavours shine through above earthy, tobacco complexity. Built for red meats and pasta with ragu thanks to its racy freshness and hearty structure, this is what Chianti tastes like when it is produced by one of the elite, most respected estates in the region.*

2023 Pinot Nero  
Franz Haas  
Alto-Adige  
92

*Pure Pinot Noir elegance. The vines are planted round 1,000m above sea level to ensure the red fruit flavours are crunchy, not jammy, and you're left refreshed after each sip. Thoughtful maturation in small oak barrels provides sweet spice and smoke complexity while earthy, mushroom flavours can also develop. This is delicious by itself but comes alive with game birds, truffle and richer fish stews.*
